EXPERIENCE

Full-Stack Developer Intern Mar 2026 – Jul 2026

Genpact | US-based enterprise project (remote)

- Built React + TypeScript frontend and FastAPI + PostgreSQL backend for Fieldroute, a field-service dispatch platform managing job scheduling, technician tracking, and parts inventory.
- Collaborated in a distributed international team following Agile practices, PR-based Git workflow, Docker-based local environments, and database migrations with Alembic.

IT Specialist – Tier 2 Jul 2024 – Jul 2025

SD-IT Services LLC | Client: Foodhub (UK) | Gjilan, Kosovo (on-site)

- Provided Tier 2 technical support for a live UK food ordering and POS platform; resolved software, hardware, and API issues escalated from Tier 1 in production environments.
- Managed incidents, escalations, and deployments via Jira, collaborating with distributed enterprise teams.

Web Developer & IT Administrator Mar 2023 – Aug 2023

Green Group Kosova

- Developed and deployed the company's bilingual B2B website using HTML, CSS, and JavaScript; managed full IT infrastructure.

PROJECTS

CalorieBot AI caloriebotai.com

Next.js · NestJS · TypeScript · PostgreSQL · OpenAI API · WhatsApp API · Stripe · Prisma · Sentry

- AI-powered SaaS calorie tracker via WhatsApp — built and shipped solo from zero to live paying subscribers. Full product: frontend, backend, payments, admin dashboard, multi-locale support, 114+ Vercel deployments.

Fieldroute github.com/yllveliu/fieldroute

React · TypeScript · Vite · FastAPI · SQLAlchemy · PostgreSQL · Docker · Anthropic AI

- Multi-role field-service dispatch platform with AI job classification. Customers submit requests, AI categorises them, dispatchers assign technicians, and technicians track and close jobs in real time.

Project Management System project-management-system-steel.vercel.app

React · TypeScript · FastAPI · PostgreSQL · Tailwind CSS

- Full-stack Kanban platform with role-based access, real-time task tracking, comments, activity logs, and JWT authentication. Final year diploma thesis.

Green Group Kosova greengroupkosova.com

React · TypeScript · Tailwind CSS

- Production B2B website for a Kosovo-based company. Bilingual, fully responsive, deployed and live.
